1. 2018

1.1 December

Utter Perfection (2018-12-28 20:31)

The entirety.

Of this very moment.

Happens by itself.

And is therefore.

Nothing other than.

Utter perfection.

2. 2019

2.1 January

Divine (2019-01-04 10:24)

This body.

This thought.

This feeling.

Divine.

Undivided Presence (2019-01-11 18:51)

Undivided Presence.

Ultimate Reality.

Unconditional Being.

-

Just This.

Everything.

Absolutely Everything.

Sunrise - The Dance Of Life (2019-01-24 08:43)

The Sun rising.

Watching.

Waiting.

A breath of fresh morning air.

Thoughts of the day.

Muscles tense.

Muscles relax.

A rush of goosebumps over the skin.

The Sun rising.

The Dance of Life.

-

All That Is.

Happening by Itself.

2.2 February

Nothing To Do (2019-02-08 20:11)

There is nothing to do.

There is nothing to not do.

Everything is an expression.

Of That which is Everything.

Everything is the Expression.

Of Universal Energy.

Universal Energy expressing.

The apparent Butterfly.

The apparent Flower.

The apparent Human Being.

All That Ever Is (2019-02-21 08:13)

There is not.

And never was.

A separate self.

There never was a separate you.

All there is.

All that ever is.

Is Life happening.

-

The non-dual.

Undivided.

Unconditional.

Expression.

Of Universal Intelligence Energy.

-

This.

Nothing forgotten.

Nothing separate.

All Is Well (2019-03-15 06:56)

All is well.

Nothing is making itself exist.

Nothing is making itself happen.

All is well.

True Freedom (2019-03-15 07:04)

True freedom.

Wouldn't be true freedom.

If it didn't include everything.

Absolutely everything.

No Question (2019-03-22 22:58)

As the tiny baby.

Grows in the womb.

There is no question.

Of a doer.

-

It is that very same.

Intelligence.

That very same.

Life Energy.

Functioning now.

-

Always.

-

It is all there is.

Everything Already That (2019-03-29 06:25)

Like Everything (2019-04-17 07:20)

Like the Wind.

The Sun.

Source (2019-07-17 07:20)

Everything.

Arises.
